

Hillary - Make the Right Decision

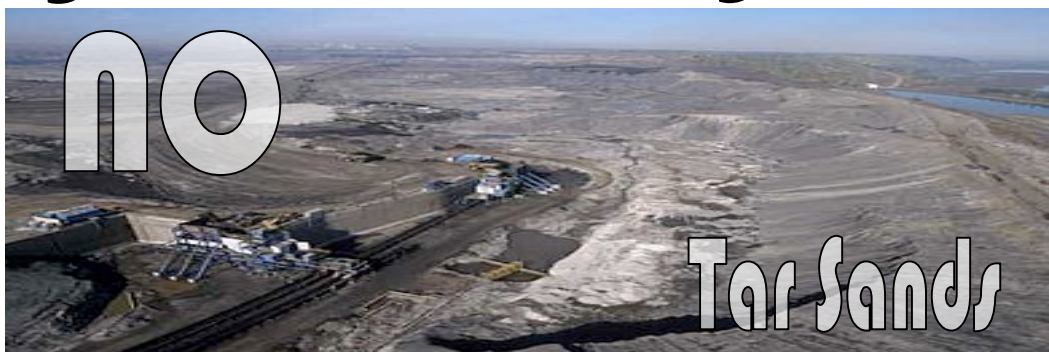

THE TAR SANDS, IN ALBERTA, ARE ON THEIR WAY TO BE THE LARGEST INDUSTRIAL OIL EXTRACTION PROJECT AND **LARGEST WORLDWIDE EMITTER OF GREEN HOUSE GASES.**

TAR SANDS DEVELOPMENT IS TURNING ONCE PRISTINE STRETCHES OF FOREST INTO DESOLATE, POST-APOCALYPTIC LANDSCAPES AND PRODUCING TOXIC POLLUTION. THIS IS A **HUMAN RIGHTS VIOLATION** AND HARMFUL TO THE HEALTH AND QUALITY OF LIFE OF THE REGION'S FIRST NATIONS AND OTHER FRONTLINE COMMUNITIES.

HILLARY CLINTON MUST BE A **WORLD LEADER**, AND AN EXAMPLE TO CANADA, BY SAYING **NO** TO THE CLIPPER PIPELINE THAT WILL RUN FROM ALBERTA TO MINNESOTA. WHILE SAYING **NO** TO THE PIPELINE THE UNITED STATES MUST COMMIT TO NO FURTHER MONEY AND SUPPORT FOR FOSSIL FUELS. PLEASE PASS THIS MESSAGE TO HILLARY CLINTON.
